Dear Friend of Western Reserve Cemetery,

Wreaths for Western Reserve is a 501(c) organization formed to solicit donations for the purchase of wreaths to be placed at gravesites in the Ohio Western Reserve National Cemetery located at 10175 Rawiga Road, Rittman, Ohio 44270. Over thirty volunteers including school groups and veterans' organizations, Civil Air Patrol and the Young Marines placed over 1000 wreaths at the cemetery in December of 2009. We hope to significantly increase the number of wreaths for this year's placement and ceremony.

Please help us in our effort by purchasing wreaths or making a donation to the Wreaths for Western Reserve. Wreaths will be provided through the Worcester Wreath Company in Maine. Purchases and contributions can be made by the form provided at [www.wrcwreaths.org](http://www.wrcwreaths.org) or mailed directly to Wreaths For Western Reserve, P. O. Box 573, Sharon Center, Ohio 44274.

To assure proper time for shipping and preparation of the wreaths, all orders must be received by November 24, 2010. Plans are being made for the placement and ceremony which will take place in December. Please refer to our website for updates or you may contact Lorraine Hlavin at 330-336-7657 or at [wrcwreaths@gmail.com](mailto:wrcwreaths@gmail.com) with additional questions or concerns.

Thank you for your interest in our effort to honor those who have served and given their all.

Sincerely,

*Lorraine G. Hlavin, President*
